

**DEPARTMENT OF CHEMICAL ENGINEERING  
INDIAN INSTITUTE OF TECHNOLOGY GUWAHATI**

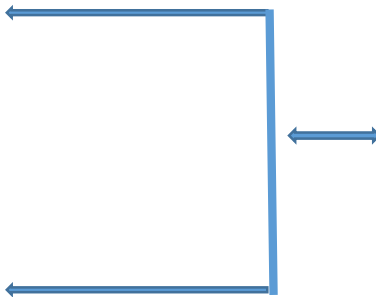

Mass Transfer Lab

Course ID: CL 313

**Format of preparation of report**

**Front page will contain**

- (a) Title of the Experiment
- (b) Exp. No.
- (c) Name of the student
- (d) Roll No.
- (e) Group
- (f) Date of experiment and submission

**Required to prepare  
before coming to  
your lab**

**From Next page you are required to write the following:**

- Aim of the experiment
- Working principle
- Experimental procedure
- Schematic diagram of the experiment
- Step by step calculation of data
- Results and Discussion (Based on your calculations)
- Remarks

**Required to prepare  
before coming to  
your lab**
